Peter Gilchrist

Winner of the Minister's Award for Support Services Excellence 2008

Central West Community College Australian Apprenticeships Centre
(New South Wales)

Peter Gilchrist started his career as an apprentice fitter and machinist. Now as manager of the Central West Community College Australian Apprenticeships Centre, he continues to demonstrate his commitment and passion for apprenticeships.

He has increased market share of the centre, relocated the offices to deliver more localised services, and helped achieve customer satisfaction levels of between 94 and 97 per cent in surveys conducted by DEEWR.

Peter's team describes him as a 'manager with a can do attitude', a quality that motivates those around him.
